

COMPETENCE REFLECTION

EYERP

EUROPEAN YOUTH EMPOWERMENT
RESEARCH PROJECT

Competences you need to put ideas into practice

1 Problem analysis (to reveal structures, problems, opportunities and their sources)

2 Creativity (to develop ideas, concepts and solutions)

3 Project management (to plan, to manage, to acquire and manage resources, to evaluate)

4 Team management (to collaborate, to delegate, to lead, to resolve conflicts)

5 Communication skills (to comprehend and be comprehensible, to convince, to negotiate)

6 Economic and financial skills (to handle money well, to have a sense of day-to-day economics)

7 Sense of initiative (the readiness to jump into action regardless of others)

8 Persistence (to stick to it, to overcome frustrations, to keep up motivation)

9 Risk taking (to put yourself and all required resources into an idea, to appreciate risks and take chances)

These personal characteristics form the key competence »Sense of initiative and entrepreneurship« set out in the European Qualifications Framework for lifelong learning of the European Parliament and the Council of the European Union from 2006.
